

Hazardous Waste Site Info Verification Report for Inspector

January 27, 2017

PROCEDURES for Inspectors/Investigators/etc. performing Site Visits:

Present the Facility representative with a copy of their Site Info Verification Report (Iowa facilities only).

If during the course of the site visit, the inspector/investigator becomes aware of any changes which should be made to the information printed on this form, please make the corrections and return the form to Elizabeth Koesterer, AWMD/WEMM.

Our instructions to them are printed on their Site Info Verification Report, and should be self explanatory. If the Iowa facility wants to revise their Site Info Verification Report, they can do so and mail it back to EPA R7, or have the inspector deliver it.

If a Kansas, Missouri or Nebraska facility wants to change their information, they must fill out a RCRA Subtitle C Site Identification Form (or equivalent State form) and mail it to the appropriate State.
